

PARENTS SOCIAL EVENING JAN 2015

There was a great turn out of up to a hundred parents on a snowy winters evening to hear Prof Jim Lucey give his talk on Ten Top Tips for Tricky Teenage Years in the school hall. It was great to see Junior school parents also joining us for what was a stimulating, wise and entertaining evening. Following the talk we had a wonderful selection of tasty Tapas and delicious Spanish wine to celebrate Spanish culture. It was a big success and showed how strong our school community has become.

Our next social evening will be the Pub Quiz for Peru on The 19th of March. We hope to see you there!

A lot of parents requested references that Prof Lucey had mentioned during his talk so he has very generously given us the presentation he used for our website. Please see this below.
