

Start of Year Mass

On the 17th October 2014 the whole school attended mass at the Church of the Sacred Heart, Donnybrook to mark the commencement of the academic year. The date coincided with the commencement of the 5th centenary of St. Teresa of Avila. The Teresian name is derived from St. Teresa and the School was told by Mgr. Lorcan O'Brien, Parish Priest that in setting up the Association Pedro Poveda found inspiration in St Teresa of Avila as someone who embodied the Christian and human ideal. The music sung throughout the mass by the school choir was inspirational, and there was no doubt that it added to the wonderful atmosphere in church.

After mass the parents were invited back to the school for cake and refreshments kindly served by Transition year.
