

## Code of Dress for Secondary School

**A clean, tidy, neat appearance is expected of students at all times.** Maintaining a high standard of dress while wearing the school Code of Dress and Sports Uniform is part of the training we seek to give students here at school. We believe that the Code of Dress enhances our students' dignity and respect for themselves and others.

When choosing clothes for school, it is recommended to buy clothes that are easy to wash, dry-clean or press. This is essential to maintain the tidy appearance requested of students at all times.

**Regular checks of the Code of Dress will be carried out throughout the year. Behaviour Slips are issued to students who do not cooperate with the School in the regard**
