As ours is a fee-charging school, we rely on the fees paid by parents to run the School.

Parents must understand therefore that admission to the school and on-going enrolment is conditional on parents discharging fees as they fall due, and that, if parents are not in a position to discharge fees when due, their daughter will not be permitted to remain as a student of the School.

Additional charges

Parents will be billed at the end of the year for outings and in-house activities. Ballet, books, magazines etc. will be billed separately.

The Teresian School has a facility to allow you to pay additional charges online with your debit or credit card. This means that you can pay securely and conveniently.

You can use **EasyPaymentPlus**, following the link on the School's website, www.teresian.ie. Please find Easy Payment details in separate attachment.

We encourage all parents to avail of this facility.
