

# March News

We are extremely proud of Olivia on having her letter to Pope Francis published in the *Fáilte Pope Francis Book*. Olivia was one of two children who were chosen from Dublin.

Well done Olivia, to think Pope Francis will see your beautiful message, drawing and handwriting is a blessing!

Olivia's photo, letter and picture which she did for her homework back in November.

KB celebrating world book week

During wellness week, we also had a special visitor Louise, with whom we made wellness jars. We sprinkled lots of glitter, sequence and beads into jars which represented our different feelings and emotions and mixed it with some water. When we shake the jar it represents our feelings and emotions being muddled, but when we put down our jars, close our eyes and count to five, our feelings and emotions settle- so we can think straight again and remember to be calm.

## Celebrating Grandparents Day

On Grandparents day lots of our grandparents came in to our classroom to see our wonderful work. We showed them our books and copies, which we are really proud of and we sang them a song as Gaeilge! Our grandparents really enjoyed it. We celebrated a mass together afterwards.

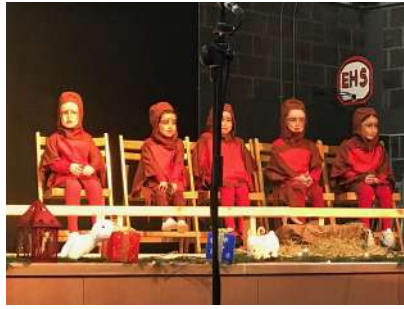

# Kinder B News

Finally our big day arrived. Yee Ha!! "Lights, Camera, Action....."

*Enjoy the photos!*
