

# Higher Options

**Sixth Year students** of The Teresian School will attend **The Irish Times Higher Options** on **September 14** 2018 at the RDS Simmonscourt.

Higher Options 2018 will offer the widest, most interesting, and most enjoyable choice in third-level courses and apprenticeships to Leaving Cert students.

Higher Options is an opportunity for Sixth Year students to start thinking about how to make their choices for the path they'll take after the Leaving Cert. It's all about choices at Higher Options and this event brings students together with colleges and institutions so they get information about the greatest range of courses and apprenticeships on offer.

Colleges from all around Ireland, and all over Europe, will be taking part in 2018.

Students will receive the timetable of talks and list of stands before attending the event.
