This Admission Policy complies with the requirements of the Education Act 1998, the Education (Admission to Schools) Act 2018 and the Equal Status Act 2000. In drafting this policy, the board of management of The Teresian Secondary School has consulted with School staff, the School patron and with Parents/Guardians of children attending the School.

The relevant dates and timelines for The Teresian School admission process are set out in the School's annual admission notice which is published annually on the School's website at least one week before the commencement of the admission process for the school year concerned.

This policy must be read in conjunction with the annual admission notice for the School year concerned.

The application form for admission is published on the School's website and will be made available in hardcopy to any person who requests it.

### **2. Characteristic spirit and general objectives of the School**

The Teresian School is a Catholic fee-charging, all girls voluntary secondary school with a Catholic Ethos under the trusteeship of The Segovia School Trust.

"Catholic Ethos" in the context of a Catholic voluntary secondary school means the Ethos and characteristic spirit of the Catholic Church, which aims at promoting:

- (a) the full and harmonious development of all aspects of the person of the pupil, including the intellectual, physical, cultural, moral and spiritual aspects; and
- (b) a living relationship with God and with other people; and
- (c) a philosophy of life inspired by belief in God and in the life, death and resurrection of Jesus; and

(d) the formation of the pupils in the Catholic faith,

and which School provides religious education in accordance with the teachings, practices and traditions of the Catholic Church.

In accordance with S.15 (2) (b) of the Education Act, 1998 the Board of Management of The Teresian School shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the School as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the School.

### **Mission Statement**

**The Teresian School is a lay Catholic School, which follows the educational principles of St Pedro Poveda.** *"I ask of you a new system, a new method, as old as it is new...inspired in love."* P. Poveda.

### **We are committed to:**

- Leading each student to reach their full potential as a person of faith in Jesus Christ, and to live out Gospel values in a deeply human life, where love is the highest value; to appreciate the different convictions of others in a respectful, diverse and inclusive atmosphere.
- Promoting the dignity of each unique person in a warm, and positive family-like atmosphere, where staff, students and all personnel respect and value each other.
- Enabling each student to achieve her best academic level, to think critically with sound intellectual and moral criteria for living, valuing, judging and choosing. Each is encouraged to love learning and to be creative in the widest sense.
- Helping each student to be a person for others, a person of truth and integrity, responsible, cooperative, committed, caring and joyful. Fortitude, seen in strength of character, is fundamental to all of these.
- Leading each student to develop a strong spirit of solidarity with others, especially those in need, engaging in local and global outreach in order to build a better society; making care for the earth an urgent priority and a daily practice for staff and students.

**Joy, Fortitude and Love** describes the spirit of our School.

### 4. Admission of Students

#### Girls who are eligible for Admission:

- Girls who have completed sixth class in primary school or its equivalent.
- Girls who will have completed their Leaving Certificate by age 21 years.
- Girls, with Parents/Guardians who accept the Ethos of The Teresian School

#### 4A Fee-Charging

The Teresian School is a fee-charging secondary school in the voluntary sector. The current fee structure is available from the Bursar's Office. There are various methods of payment to facilitate our Parents/Guardians. Arrangement for the payment of fees must be made before registration at the start of each academic year at the beginning of September. In order to retain a place in The Teresian School all students' fees (including historic debts) must be paid by the due date. Otherwise, the place may be forfeited. Admission to and continued enrolment in The Teresian School is subject to timely payment of school fees.

The Teresian School operates within the regulations laid down, from time to time, by the Department of Education and Skills.

The Teresian School provides education exclusively for girls and may refuse to admit as a student a person who is not of the gender provided for by this School.

**4B** Parents/Guardians who decide to apply for a place for their daughter in The Teresian School should be aware of the character, aims, Mission Statement and Ethos of The Teresian School. While this does not preclude a person of another faith or none from attending The Teresian School, it is important that a parent/guardian should be aware that in sending their daughter to The Teresian School they have decided to send her to a Catholic School. The Teresian School respects and celebrates diversity of tradition, values, beliefs, languages and ways of life in a more pluralist society. This is balanced with the aims and objectives of a Catholic education. Where non-Catholic Parents/Guardians accept a place for their daughter in The Teresian School those Parents/Guardians may provide religious instruction for their own daughter as this service is not provided in The Teresian School. All students attend RE classes and School liturgies.

**4C** This School shall admit each student seeking admission except where –

- a) the School is oversubscribed (please see [section 6](#) below for further details)
- b) a parent/guardian of a student, when required by the principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the code of behaviour of the School is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the student
