Please note that all TY students will sample all subjects across the year so regardless of whether they have studied the subject at Junior Cycle, the books or other requirements need to be purchased. The exceptions to this are Sports Science and Philosophy which are optional. These will be discussed with students at the start of the school year and students can then purchase the relevant books/materials.

Those who studied both French and Spanish at Junior Cycle, will have the option of continuing with both languages. If they choose to continue with both, they should purchase the books for both. Where students only studied one language at Junior Cycle, they should only purchase the books for that one language.

All pupils are expected to have these books and equipment upon their return to school. The booklist charges must be paid ahead of the start of the school year.

The homework notebook is available at school upon students return.
